14. Cancellation of the Saturday Live event will occur by a vote by the following individuals: Foundation President, Saturday Live Chairs, Event Coordinator, and the Superintendent of Schools (or a BPS representative appointed by the Superintendent).

Saturday Live Policy Regarding Business Partnerships

In accordance with Saturday Live sponsorship opportunities for local businesses, any business that enters into a partnership with Saturday Live must comply with the following:

- 1) In order for a business to have a physical presence at Saturday Live, the business must either sponsor the Education Foundation for Billings Public Schools or a school group at the \$1000.00 level. The \$1000 check sponsoring either the Education Foundation or the school group must be submitted to the Education Foundation who will then allocate the sponsorship money to the school group following Saturday Live. If a business is not able to sponsor the school group or the Education Foundation at the \$1,000 level, they may support a school by donating 100% of the proceeds earned at Saturday Live to the school group they are partnering with.
- 2) All businesses sponsoring a school group must be incorporated into the school group's booth. The business must also provide signage not to exceed 5 ft by 2 ft that acknowledges the business school partnership.
- 3) The primary benefit of all partnerships must be for the students of Billings Public Schools.
